Re. introduction of Survey and Settlement into Jodi Mathodu village, Shimoga taluk.

SIR,

I have the honour to state that Jodi Mathodu Village, Holeyaru hobli, Shimoga taluk, is an inam village under Government management. According to the valuation Survey conducted prior to the Inam Settlement, the total extent of the village is 901 acres 5 guntas of which an extent of 865 acres 19 guntas with a jodi of Rs 245/- is devadaya inam endowed to Sri Brahmeswara, Rameswara and Chintamani Narasimhaswami temples at Kudli and Sri Durgadevate temple at Shimoga. The remaining extent of 35 acres 26 guntas with a jodi of Rs 26/- is Brahmadaya Inam in the possession and enjoyment of one Venkataramiah of Mathodu village. Till 1925-26 the entire village was under the management of the aforesaid Venkataramiah who was one of the Upadhi Vanthas of Sri Brahmeswara and Rameswara temples but owing to gross mismanagement on his part the village was taken under Government management in the Muzrai Department. With a view to improve the resources of the institutions to which the Village is endowed and to make proper apportionment between the different kinds of Inam, it is proposed to introduce Survey and Settlement into the Village. The majority of Kadim tenants holding lands in the village have executed a mutchalika in the prescribed form agreeing to pay all charges incidental to the operations and to put up Boundary marks. The Deputy Commissioner recommends that Survey and Settlement may be introduced into the village. I agree with him and request you to be so good as to obtain the sanction of Government in the matter.

The connected papers accompany.

I have the honour to be,

Sir,

Your most obedient servant,

J. Macdonald

Revenue Commissioner.
